OWNER KEEPER DECLARATION

- a) I/We have examined the stock and seen no signs of foot and mouth disease or other notifiable disease.
- b) That the stock comes from a premise which has had no movement of foot and mouth susceptible animals onto it in the previous 6 days (other than in permitted exceptions).
- c) That the movement complies with the relevant General Licence.
- d) The registration number(s) of the livestock vehicle(s) carrying the stock is/are
- e) That the number of broad incisor teeth meet the corresponding age of the animal in accordance with MHS Rules.
- f) I/We hereby confirm I/We have read and understand the "Food Chain Information for cattle consigned for slaughter for human consumption" document and declare the cattle entered overleaf fulfill all the statements there contained.
If **NO**, please detail withdrawal period/s:

I confirm that my holding is under movement restriction for bovine Tuberculosis (TB).
I confirm the cattle offered for sale have been TB tested within the last 90 days. Date of first day of test

Cattle on the holding are not under movement restrictions for other animal disease or public health reasons (excluding a 6 day standstill).

To the best of my knowledge the animals are not showing signs of any disease or condition that may affect the safety of meat derived from them.

No analysis of samples taken from animals on the holding or other samples has shown that the animals in this consignment may have been exposed to any disease or condition that may affect the safety of meat or substances likely to result in residues in meat.
