**OWNER KEEPER DECLARATION**

- a) We have examined the stock and seen no signs of foot and mouth disease or other notifiable disease.
- b) That the stock comes from premises which has had no movement of foot and mouth susceptible animals onto it in the previous 6 days (other than permitted exceptions).
- c) That the movement complies with the relevant General Licence.
- d) The registration number(s) of the livestock vehicle(s) carrying the stock is/are .....
- e) I hereby declare I am the owner or the owners agent of the bovine animals described.

NB. Should clean market stock enter the exempt market the SVS have placed a restriction on such stock from returning home. Please ensure you unload your cattle on the clean market unloading bays.  
 I hereby authorise GTH to contact SVS to determine TB status if so required.

Signed .....

**TB DECLARATION FOR ALL CATTLE**

I confirm my herd is subject to 1-2 / 3 or 4 (delete as appropriate) yearly routine TB testing. If from a 1-2 yearly routine TB testing herd, please answer the following:

- i) I confirm for cattle moving off my premises within 1 month of arrival, that those cattle were pre-movement tested, if so required, prior to moving onto my holding.  
 Date of first day of test ..... (please complete)
- Or**
- ii) I confirm the cattle offered for sale have been pre-movement tested within the last 60 days.  
 Date of first day of test ..... (please complete)
- iii) For buyer assurance, I hereby attach a copy of the test TB 52A. Yes / No (delete as appropriate).
- iv) I confirm that if my cattle are subsequently found not to have been pre-movement tested as required, I will indemnify the purchaser for all his reasonable costs arising from any post movement testing which is imposed and any other purchaser of cows whose cattle status has been affected by my selling untested cattle through the “clean” market.

**Print Name** ..... **Dated** .....

*(This document must be completed by the owner or keeper of the animals and handed to Market Staff on arrival prior to unloading)*
