

LAIRAGE PROTOCOL

NOTIFICATION AND CHARGES

1. All stock to be laired prior to a market must be pre notified with the market office on 01278 410278. This is to ensure there is available space to enable stock to be held securely.
2. Vendors will be charged for this facility. The stock will be bedded, fed and watered from a mains trough.

ARRIVAL

3. On arrival at market please shut the entrance gate behind you immediately on entering the market yard. This is to ensure that if stock escape whilst being unloaded they cannot leave the market yard area.

SECURITY

4. All loading bay gates facing out into the yard, sideways to adjoining loading bays and inwards to the internal cross passage are to be padlocked closed when stock are being laired overnight. **Please ensure padlocks are in place before unloading.** If gates are not padlocked please call the market office on 01278 410278 or Tim Hobbs on 07864 834183.
5. Loading bay gates must be left padlocked closed.

DELIVERY

6. Stock laired on Friday afternoons must be delivered between 4pm and 5.30pm.

COLLECTION

7. Stock laired overnight on Saturday must be collected by 12 Noon on Sunday. If you are unable to comply with this time please telephone Tim Hobbs on 07864 834183 to advise when you are likely to arrive. This is to facilitate the cleaning of the market ready for Monday's market.
8. When stock is collected the loading bay gates to the yard are to be re-padlocked to prevent the escape of stock still in lairage in adjoining pens.

DEPARTURE

9. The main gate to the market is to be padlocked closed immediately on leaving the premises.
